

2008 Rough & Tumble Blacksmith Classes

Saturday, August 30, 2008

Monday, September 1, 2008 with a "NEW PROJECT"

Saturday's Class 4 Hook Coat Rack

This is a good beginner's project and recommended for those who have never done any blacksmithing. Each student will have a completed project to take home at the end of the day.

All class participants must be Rough & Tumble Members.

Participants are required to bring and wear protective eye wear.

All project materials and tools will be provided.

Classes start promptly at 9 am and are limited to 10 students per class.

Cost is \$25 / per student / per class.

Classes will be filled on a first come, first served basis for

registrations mailed to the address below.

Your payment reserves your spot. Make checks payable to Rough and Tumble Historical Engineer Association.

If you are not a Rough & Tumble Member, membership forms can be obtained

on the Rough & Tumble Website at www.roughandtumble.org.

Questions ??? Please contact Mike or Kim Awckland at 215-679-4863.

Monday's Class Adjustable Arm Candle Holder

This project is more advanced. Blacksmith techniques involved are light forge welding, punching, drawing out and riveting. You can chose from two mounts - drive in or a mount that attaches to the wall with screws.
